

Peasants by a Lake

Date

c.1870

Primary Maker

After Geza Mészoly

Medium

Oil on panel

Dimensions

30.5 x 35.5 cm

Description

In the left foreground a path, on the right a pond at the edge of which two figures of men in red and brown work at a boat and a woman in grey sits nearby. In the background is a grove of trees with a covered shed in which gypsies appear to have made a shelter and to the left one tends a fire. The sky is filled with white clouds.
