

Boat Ashore

Primary Maker

David Adolf Constant Artz

Medium

Oil on panel

Dimensions

31 x 41.1 cm

Description

There are grassy sand dunes in the foreground with a boat resting in the middle distance, between the dunes and a strand. There is sea beyond with white horses (waves) breaking on the shore. Some figures or stakes are close to the seashore. On the distant horizon there is the impression of a town with a church spire on a headland. Low clouds cover the background.
