Medium

Oil on canvas

Dimensions

75.8 x 121.4 cm

Description

On a white cloth covered table against a plain brown and buff coloured background various silver, delph and glass objects are arranged. In the centre background is a ginger jar, full of dark red flowers. Peeled and half-peeled oranges lie on and around an open flat dish on the lower right. Behind this dish is another covered dish with a half-filled carafe of wine in the background. A glass dish of fruit is in the left background.
