

Saint John

Primary Maker

Paul Bony

Medium

Stained glass

Dimensions

30.5 x 42 cm

Description

This is a stain glass panel depicting Saint John the Evangelist. The central panel shows the Saint holding a parchment in his left hand and a quill in his right. On the right, in the immediate foreground is a blue dove, perhaps representing the Holy Spirit. The primary colour used is dark blue with white and golden brown highlights. Framing the central panel is a green trim with blue corner pieces, decorated with a star inside a square.
