

Basic Detail Report

Lago Maggiore

Date

c. 1890-1904

Primary Maker

Hercules Brabazon Brabazon

Medium

Gouache on paper

Dimensions

25 x 35.2 cm

Description

This landscape painting shows the famous Italian lake, Lago Maggiore, in the foreground. There is a large white building with a red terracotta roof close to the shoreline on the left. In the middle distance is a line of hills stretching into the background and framed by a light brown sky and the pale blue waters of the lake.
