

The Wanderers

Date

c. 1897-1898

Primary Maker

Mildred Anne Butler

Medium

Watercolour on paper

Dimensions

53.3 x 36.2 cm

Description

This landscape painting shows a group of turkeys wandering in a clearing amongst trees. In the distance a farmhouse can be seen. The scene appears to be set in late autumn, since the trees on the right are bare while the trees on the left are covered in brown and red leaves.
