

Two Sketches of Seated Woman in an Interior

Primary Maker

George Chinnery

Medium

Pencil on paper

Dimensions

18 x 11.5 cm

Description

This drawing shows two sketches, one on top of the other, of a woman in early 19th century costume seating in front a curtained window. Her left arm is leaning on a small circular table with a flower vase on it. The top sketch is only an outline, while the lower sketch has been roughly shaded.
