

Basic Detail Report

The Bather's Repose

Date

1904

Primary Maker

Charles Conder

Medium

Sanguine on paper

Dimensions

25.4 x 34.3 cm

Description

In this sketch drawing executed in sanguine, is a nude woman resting on a couch; one arm stretched behind. Another woman, on the right, leans over her. There are three half draped female figures standing to the left of the couch, their various postures reminiscent of the Three Graces. In the foreground is a tiled terrace, with calm water in the background.
