

16. College of Surgeons (1/35) [16 of 22 prints from Shadows by Louis le Brocquy]

Date

1986

Primary Maker

Louis le Brocquy

Medium

Lithograph on Japanese paper

Dimensions

32 x 45 cm

Description

This is a planographic print (lithograph) of the College of Surgeons entrance; loose brushwork is used resulting in a

semi-abstracted view of the doorway. As the name of the series (Shadows) suggests it is a study of light and shade.
