

18. The Castle (1/35) [18 of 22 prints from Shadows by Louis le Brocquy]

Date

1986

Primary Maker

Louis le Brocquy

Medium

Lithograph on Japanese paper

Dimensions

32 x 45 cm

Description

This is a planographic print (lithograph) of the castle; loose brushwork is used resulting in a semi-abstracted view of the building. As the name of the series (Shadows) suggests it is a study of light and shade.
