

Basic Detail Report

Children at Play

Primary Maker

George William Russell (Æ)

Medium

Oil on canvas

Dimensions

44.5 x 66 cm

Description

This painting shows a group of young girls playing in a dense forest. A soft golden light is coming in on the left side of the picture, illuminating the girls as they skip off hand-in-hand into the depths of the forest with a woman dressed in red. Three girls have disengaged themselves from the main group and sit together in earnest discussion, while paddling in a stream on the right side of the composition.
