

A Tea Party

Primary Maker

Hugh Bellingham Smith

Medium

Oil on canvas

Dimensions

59.8 x 90.2 cm

Description

A group of three women in white dresses and summer hats sit around a table placed beside a low wall. They are drinking tea. There is another woman approaching the tea party from the right. Halfway along the wall is a wooden gate. Just beyond the wall are several trees with luscious greenery shading the party from the summer sun. In the hazy distance are the mauve coloured shapes of buildings.
