

Fragile Hold

Date

2007

Primary Maker

Timothy Hawkesworth

Medium

Oil on canvas

Dimensions

147.5 x 137 cm

Description

Timothy Hawkesworth grew up in Ireland and moved to the USA in 1977, where he began to work on a larger

scale. In recent decades, his paintings mirror the scale of the painter's body, as is the case in *Fragile Hold*. He has increasingly focused on the performative act of painting itself and the energy imbued in mark making.
